PUBLIC STATEMENT OF NICOLE JOHNSON

EIS000611

1 . DEC 02 1999 MS. JOHNSON: My name is Nicole Johnson. [I have lived in Nevada all my life, and I want to keep my state safe and safe for other generations. Our parents are not the only people who have to solve this problem and deal with it.

As a student I am proud to be a citizen of Nevada, and I hope that the DOE will consider other sites.

Also Nevada at this time is the fastest growing state in the United States.]
